

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is truly undermining our trust in the media !!

I URGE YOU TO RE-CONSIDER THIS ACTION !!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get cheated. We need to see real people from our own communities and more substantive news about issues that matter. Not propaganda from either side of a campaign !!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Media consolidation is not creating an open and honest democracy.

Thank you.
